ISBM
International
Society of
Behavioral
Medicine

What is the International Society of Behavioral Medicine (ISBM)?

ISBM is a Federation of national, regionally-based or specialized scientific societies, concerned with issues relevant to behavioral medicine

26 members, 2 affiliate members

North America, Central and South America, Europe, Asia, Australia/NZ

Membership

If you are a member of a member society, you are automatically a member of ISBM

Take advantage of your membership!

Scope of ISBM

- Develop and maintain international liaisons
- Encourage interdisciplinary communication
- Stimulate research, clinical, preventive and training activities
- Develop guidelines for implementation of behavioral medicine
- Serve as an information resource based on ITC systems and personal meetings

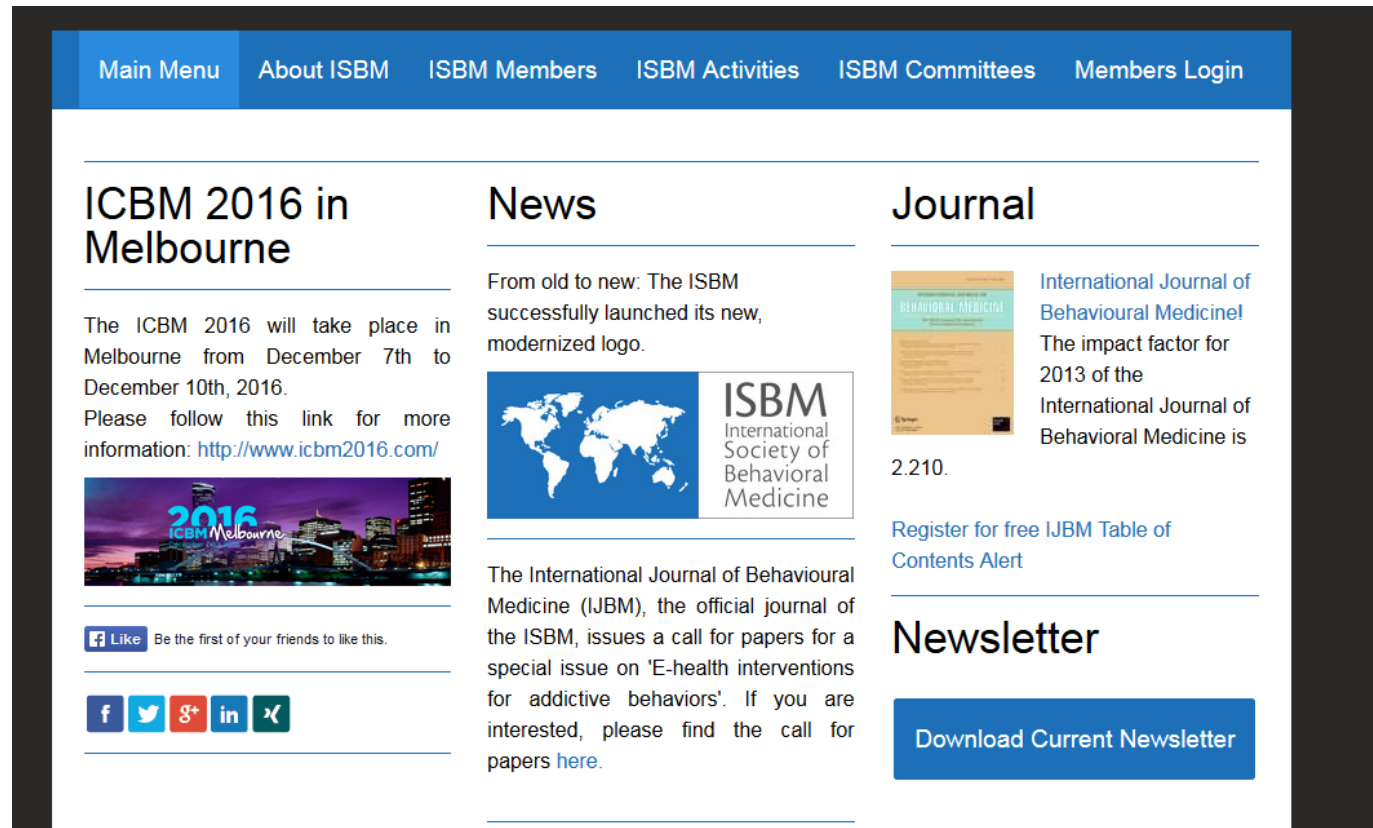

Activities

- International Congress of Behavioral Medicine (ICBM)
- International Journal of Behavioral Medicine (IJBm)
- Newsletter
- Early Career Network (INSPIRE)
- Teaching seminars, curricula
- Facilitation of international collaborative research studies
- Liaison with other professional organizations

Website

The screenshot shows the ISBM website homepage with a blue navigation bar at the top containing links for Main Menu, About ISBM, ISBM Members, ISBM Activities, ISBM Committees, and Members Login. The main content area is divided into three columns: 'ICBM 2016 in Melbourne', 'News', and 'Journal'. The 'ICBM 2016 in Melbourne' section features a cityscape image and text about the event dates and a link for more information. The 'News' section includes a world map icon and text about the ISBM's new logo and a call for papers for a special issue on 'E-health interventions for addictive behaviors'. The 'Journal' section displays the cover of the International Journal of Behavioural Medicine and provides the impact factor for 2013. At the bottom of the page, there are social media sharing options and a 'Download Current Newsletter' button.
