

“INSPIRATIONS” Newsletter updates

Hi everyone,

THE INSPIRE committee thought it might be useful to try and collate opportunities for ECRs and PhDs working in Behavioural Medicine. Please find attached a list conferences, courses and job opportunities that we hope you will find useful.

We would welcome feedback about the types of opportunities you are most interested in.

Also – if you know of an opportunity that you would like to promote, please send through the details to inspire.isbm@gmail.com

Kind regards,

Rebecca, Jose and Briony
On behalf of the INSPIRE committee

INTERNATIONAL OPPORTUNITIES:

Behavioural Trials Summer School (Canada)

“The IBTN Summer School in Behavioural Trials is an academic program held over 6 days exploring how to breakthrough current obstacles in behavioural trial methodologies and expand the reach, capacity, and impact of trials in the field of behavioural medicine.”
